

Mini

Mini (R50-R52 R53)

DESCRIZIONE	DIAG	PAR	ATT	COD
ABS-DSC - Dynamic stability control MK60 - DSC_MK60_B8				
Adjusting the depth of beam				
AGS - Gearbox management				
DDE - Diesel engine management - DDE_30				
DDE - Diesel engine management - DDE_40_B8				
DDE - Diesel engine management - DDE_50_B8				
DDE - Diesel engine management - DDE_50_KWP				
DDE - Diesel engine management Master				
DDE - Diesel engine management Slave				
DME - Gasoline engine management - BMS_46_B8				
DME - Gasoline engine management - BMS_46_KWP				
DME - Gasoline engine management - DM331K20				
DME - Gasoline engine management - DM338DS0				
DME - Gasoline engine management - DM338DS1				
DME - Gasoline engine management - DM33M301				
DME - Gasoline engine management - DM33S501				
DME - Gasoline engine management - EMS2K_B8				
DME - Gasoline engine management - ME_72				
DME - Gasoline engine management - ME_9				
DME - Gasoline engine management - MS_41				
DME - Gasoline engine management - MS_42				
DME - Gasoline engine management - MS_43				
DME - Gasoline engine management - MS_45_B8				
DME - Gasoline engine management - MS_45_KWP				
DME - Gasoline engine management - MSS_52				
DME - Gasoline engine management - MSS_54				
DME - Gasoline engine management 4 cylinder				
DME - Gasoline engine management 8 cylinder				
DME - Gasoline engine management Master 12 cylinder				
DME - Gasoline engine management Slave 12 cylinder				
EGS - Gearbox management - GS19_B8				
EGS - Gearbox management - GS19_KWP				
EGS - Gearbox management - GS20				
EGS - Gearbox management - GS3X_B8				
EGS - Gearbox management - GS7X_K				
EGS - Gearbox management - GS834				
EGS - Gearbox management - GS8600				
EGS - Gearbox management - GS8602				
EGS - Gearbox management - GS8603				
EGS - Gearbox management - GS8604				
EGS - Gearbox management - GS9X				
Immobilizer				
KOMBI - Instrument cluster - KOMBI50F				
KOMBI - Instrument cluster - KOMBIR50				
MRS3 - Airbag Ecu				
MRS4 - Airbag system				
MRS5 - Airbag ECU				
Multifunction steering wheel				
NAV - Navigation system				
Radio				
Rain and light sensor				
SHD - Sunroof module - SHD46				
SHD - Sunroof module - SHD46_2				
SMG - Gearbox management				
Steering angle sensor				
Valvetronic bank 1				
Valvetronic bank 2				
VM - Video module				
VM - Video module 3				
VM - Video module 5				
VM - Video module TV				
VM-GT - Video module / graphics				

Mini (R55-R56)

DESCRIZIONE	DIAG	PAR	ATT	COD
ACSM - Advanced Crash Safety Module - ACSM60				
Amplifier				
Application				
Audio System Controller				
Car Access System				
CCC-BO - Control panel				
CCC-GW - Gateway				

CD changer - CDC_E65					
CD changer - CD70					
Central Information Display					
Comfort Access					
Controller					
Diesel engine management - DDE_60					
Digital radio terrestrial					
Digital radio terrestrial USA					
DSC - Dynamic stability control EBC_450 - DSC_56					
Electric power steering					
Footwell module driver					
Gasoline engine electronics - MED_17					
Gasoline engine electronics - MEV_17					
Gearbox module					
IHKA - Automatic air conditioning					
IHKS - Heating-conditioning					
IHS - Heating command					
Instrument cluster					
Interface box high with AudioPlayer					
Junction box beifahrer					
Navigation system					
Park Distance Control					
RAD - Radio					
RAD2 - Radio 2					
RAD2-GW - Gateway					
Satellite tuner (USA)					
Steering column switching center					
Sunroof module					
Tire pressure monitoring					
Trailer module					
Tuner antenna					
ULF - Freespeech and loading unit					
ULF-SBX - Interface box					
VM - Hybrid video module					
VM - Video module
